

Crafted in the tradition of fine home furnishings, these elegant cabinets and matching mirrors feature all the details found on heirloom quality furniture. Features such as: tasteful hand-carved elements, detailed veneer treatments, rich hand accented finishes, and beautiful decorative hardware.

Enhancing the thoughtful designs is Sagehill's quality materials and construction. Utilizing select hardwoods and veneers, Sagehill engineers quality features into each design without compromising style or the need for ample storage. Crafted to meet today's demanding lifestyles, these cabinets will endure – beautifully.

Take a moment and preview the Estate Living Collection additions by Sagehill Designs. We are sure you and your clients will find the combination of style, craftsmanship, and value hard to resist.
